2. Work Details

Location of Highway to be opened:

--

Purpose for which the Highway is to be opened:

--

Duration of the Works:

--

Commencing:

--

Prior to assessing an application for a Permit to Open Up and Temporarily Occupy a Highway, the following information must be provided to the Derwent Valley Council:

- Proof of Public Liability insurance (\$10,000,000)
- Traffic Management Application
- Road Closure Application (if proposing to close the road)
- A scaled drawing showing the location and extent of the proposed Highway opening and occupation

The fee for the permit is published in Council's Fees and Charges and available from the website (www.derwentvalley.tas.gov.au).

Works are not to commence until the Permit has been issued.
