Ec1 To encourage and facilitate greater opportunities for business development and tourism and work toward a strategic plan for tourism and business development in the area.
Ec3 To develop partnerships with State Government, industry and regional bodies to promote economic and employment development.

Discussion

Following an approach earlier in the year by the Council, the organisers of the Dark MOFO Winter festival publicly announced in April 2016 the event program, which included an activity to be held at Willow Court, New Norfolk. The Council had agreed at a previous Special Closed Council meeting on the 31 March 2016, to conditionally support the use of the venue.

The event as announced is for the site to be used for an installation by the performance artist Mike Parr. The Asylum performance itself is to be undertaken for a period of 72 hours. The event will start with Mike Parr on Thursday 9 June 2016 from 12.00pm finishing on Sunday 12 June at 12.00pm. The site will also be open on Monday 13 June, Saturday 18 June and Sunday 19 June 2016.

Upon the announcement of the activity at the Willow Court Site, discussion occurred in relation to a suggestion that a street event be held to compliment the Dark MOFO event. It has been envisaged that this would enable a degree of economic advantage to occur through the anticipated additional visitation during the installation at Willow Court.

The Council established a working group comprised of Councillors Shaw, Triffett, Graham and Lathey. An invitation to local traders was undertaken and a meeting held on Tuesday 26 April 2016, which was attended by approximately 15 people. It was generally accepted that some form of street event would be appropriate, albeit a short lead time would require a dedicated resource to ensure that events could be successful undertaken.

Contact was made with an individual considered to have the appropriate skill set with a submission being received as detailed below.

Consultations That Have Taken Place

(a) The Community

An invitation was extended to local business with a meeting held in the Court House on Tuesday 26 April 2016.
(b) Experts

Discussions have been held with representatives from Events Tasmania and Destination Southern Tasmania.

(c) Stakeholders

A invitation was extended to local business with a meeting held in the Court House on Tuesday 26 April 2016.

Proposed Community Consultation, Public Relations and Media Issues

Assuming that the Council supports the recommendation then engagement of the Events Coordinator will take place immediately. Responsibility of communications in relation to this activity would be a part of the role of the Events Coordinator.

Budget/Financial Issues

There is no specific allocation in the 2015/2016 budget for this purpose. Accordingly, the recommendation requires a resolution by an absolute majority.

As referred to in the proposal, approaches for external funding sponsorship will continue to be pursued.

Policy Implications

There are no significant policy implications. The Event Coordinator will need to abide by the purchasing arrangements with the oversight of the General Manager.

Comment

The announcement of the Dark MOFO event to be held in the Derwent Valley is to be applauded. Given the significant additional visitation that the event will bring, it is considered appropriate to commit funds to ensure a positive visitor experience occurs, with the potential for economic benefits also.

The programme as outlined in the proposal is based on a series of conversations between the General Manager and Leisa Kirmos following the meeting on the 26 April 2016. It should be understood that the proposal would be subject to alteration following further dialogue between the working group.
